sebab banyak sekali penulisan sejarah tokoh akan menjadi subjektif apalagi kalau yang kita tulis adalah leluhur kita atau karena kita telah lama yakin dengan alur dan cerita yang telah ada tanpa adanya penimbang sejarah lainnya

diclofenac gel otc uk

Teva Pharmaceutical Industries Ltd.'s bid to combine with the generic-drug business of Allergan PLC would vault the Israeli company into the top ranks of global drug makers and further a remodeling of the industry by a few players that were relatively unknown just a few years ago.
